

Dining

We offer a wide selection of delicious home cooked meals, ranging from an Indian-style curry to a perfectly cooked rump steak. Our menu also includes vegetarian dishes, as well as a tempting selection of desserts.

The dining area is spacious and comfortable, with open fireplaces on either side. During the warmer weather, we have a large outdoor area where you can enjoy your meal or simply have a few drinks.

If you wish to make a reservation, contact us with your details.
